TOWN OF MAGGIE VALLEY
EMERGENCY ALERTS
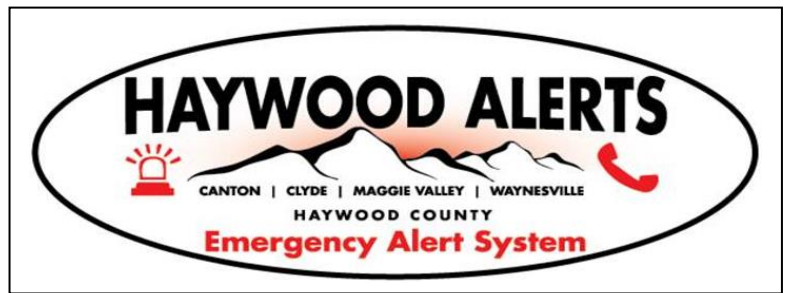

Your safety is our top concern. That's why the Town of Maggie Valley wants to make sure you know about emergencies and incidents as they happen. By opting into Maggie Valley's emergency notification system you'll be informed before, during, and after incidents that could impact your safety.

The Town of Maggie Valley's emergency notification system, Haywood Alerts, powered by Everbridge, will allow us to send you messages about situations as they happen across multiple devices, including your home phone, mobile device, email, and more.

For this system to be a success, we need your contact information so we can reach you in the event of an emergency. Don't worry, we will never sell or share your personal information with any third-party organizations.

TWO WAYS TO REGISTER:

Online – www.maggievalleync.gov
Click the Haywood Alerts Logo to be directed to the site where you can set up an account and select multiple types of alerts you wish to receive including emergency, traffic and event information. You even have the option to receive information from other municipalities and Haywood County at-large.
