MINUTES

At this meeting it was determined the ticket booth and the entrance way needed to be improved.

The ticket booth improvements will include new horizontal sliding windows on both sides to improve exchange efficiency, install a metal Dutch Door, new seating, enhanced counter space. Restroom doors will also be replaced. The estimated cost of the project is \$6,000.

The entrance way will receive new pavement to make entering the grounds easier; especially for those with limited mobility but will also aid in stormwater problems. The estimated cost of the project is \$11,000.

Both of these projects are unfunded in the 2019/2020 budget, therefore, will require funds to be appropriated from fund balance.

Another area in which the Town is wanting to make progress at the Festival Grounds is at the Wade Reece Memorial Stage. With increase interest in music events; the Town enlisted the help of Buddy Melton of Balsam Range. Mr. Melton has made some suggestions on how to improve the acoustics within the stage confines that will allow better and more diverse musical performances to occur. The estimated cost of this project is \$25,000.

The HCTDA 28751 1% committee has awarded the town \$25,000 to fund this project.

Each project will need a separate motion since the funding source is different for each project.

Aldерwoman Tammy Wight asked if the projects would be completed before the festival season started. Manager Nathan Clark responded once approved the projects can get underway, however, the paving project will come at the end of March when the asphalt plant opens.

Alderman Phillip Wight asked for a detailed expense report once the projects are completed.

ALDERMAN CLAYTON DAVIS MADE A MOTION TO MOVE FORWARD WITH THE FESTIVAL GROUND UPGRADES FOR THE TICKET BOOTH AND THE ENTRANCE WAY AT AN ESTIMATED COST OF \$17,000. MOTION CARRIED UNANIMOUSLY.

ALDERWOMAN TAMMY WIGHT MADE A MOTION TO MOVE FORWARD WITH THE SOUND ENHANCEMENTS AT THE WADE REECE MEMORIAL STAGE AT THE COST OF \$25,000. MOTION CARRIED UNANIMOUSLY.

6. Consideration of Purchase: Winter Woods Lighting

Mosca Design was unable to provide pricing details for the meeting. If pricing is available, it will be discussed at the Board Planning Session February 17 – February 18, 2020. No further discussion.

7. Consideration of Appointment: Maggie Valley Planning Board

Now that Alderman Patel has been appointed to the Board of Aldermen, there is a vacancy on the Planning Board. The Town advertised for the position and received two (2) applications: Brian Hawkins and Jared Lee.

- c. Sewer Equipment of American Jet Machine & Trailer Model 747PR

As part of the FY 19-20 budget, the Town of Maggie Valley purchased one new public works truck and a new backhoe. The Town purchased a new Sewer Jet Machine in FY 18-19. The items listed above have outlived their useful life and need to be declared surplus. These items will be sold on GovDeals.

ALDERWOMAN TAMMY WIGHT MADE A MOTION TO SURPLUS THE 2006 FORD F-350, 1997 JOHN DEERE BACKHOE LOADER 310E, AND THE SEWER EQUIPMENT OF AMERICAN JET MACHINE MODEL 747PR. MOTION CARRIED UNANIMOUSLY.

9. Budget Amendment:

- a. Ordinance 916 Police Department
- b. Ordinance 917 Sound Enhancements
- c. Ordinance 918 Festival Ground Enhancements

Ordinance 916 shows the revenues collected by the Maggie Valley Police Department via the Unauthorized Substance Tax. The money by law is spent at the complete discretion of the Police Chief. The budget amendment is for the purchase of Honor Guard uniforms and ballistic vests at a cost of \$3,471.

ALDERWOMAN TWINKLE PATEL MADE A MOTION TO ACCEPT ORDINANCE 916. MOTION CARRIED UNANIMOUSLY.

Ordinance 917 shows the expenditures approved by the Board from earlier action (agenda item 5) and the acceptance of funds approved by the HCTDA for the sound enhancements at the Wade Reece Memorial Stage.

Mayor Eveland stated that these are regular items normally seen under the Consent Agenda.

Public Comment

Consideration of July 4 Fireworks Contract Approval: Zambelli Fireworks

The Haywood County Tourism Development Authority (HCTDA) awarded the Town \$8,000 to go toward the July 4th Fireworks Show. The show will be approximately twenty (20) to twenty-five (25) minutes long. The Town contributes \$7,000 to "The Backyard 4th" to pay for the remainder of the Fireworks cost (\$15,000).

Consideration of Festival Grounds Improvements: Stage, Paving, Ticket Booth

The paving project will be outside the entrance as well as inside the gate. The paving project will help with stormwater management; as well as provide easier ADA (Americans with Disabilities Act) access to the Festival Grounds.

The upgrades to the Ticket Booth will improve the functionality of the space by installing sliding (horizontal) windows on both sides, upgrading the counter space and installing a metal Dutch Door. The Dutch Door will enable discussions to take place through the top half, but the bottom half can remain locked to prevent easy access.

2
Town of Maggie Valley
Board of Aldermen Agenda Setting/Monthly Workshop
February 4, 2020
MINUTES

Both projects are unfunded in the 2019/2020 Budget; therefore, a budget amendment will be required.

Haywood County Tourism Development Authority (HCTDA) awarded the Town \$25,000 for stage improvements. The money is to be used to upgrade the acoustics on the stage. Staff has been working with Buddy Melton, a member of Balsam Range Bluegrass Band on the logistics of the project.

When questioned by Alderman P. Wight about improvements made to the stage several years ago, Manager Clark explained that the problem is how the sound bounces around the stage and the musicians cannot properly hear each other. Sound proofing was installed overhead a few years ago which helped but did not alleviate the problem. Mr. Melton is saying that baffling needs to be installed on the ceiling and along the corners. The baffling helps the sound not to bounce off the walls and ceiling.

The two (2) entrance doors to the restrooms need to be replaced. Because metal doors are going to replace the wooden doors additional support and hardware will be needed.

The work will be completed prior to the festival season beginning (weather permitting on the paving).

The upgrading plans for the stage will be in Council's agenda packets.

Consideration of Purchase: Winter Woods Lighting

The Winter Woods Lighting Project will have to be custom-made to fill the area at the east entrance to Town at the intersection of US-19 and US-276. Staff is waiting on concrete numbers for the custom design pieces. Manager Clark will apply for HCTDA funding to off-set the cost of the Winter Woods Lighting Project.

Consideration of Appointment: Maggie Valley Planning Board

Now that Alderman Patel has been appointed to the Board of Aldermen, there is a vacancy on the Planning Board. The Town advertised for the position and received two (2) applications: Brian Hawkins and Jared Lee. Council interviewed Jared Lee during the Alderman interviews and found his energy extraordinary and noted the need for younger people to serve.

Alderman P. Wight asked that Manager Clark contact Mr. Hawkins and tell him the application will be held in a file for one (1) year and that Council would like him to serve on a board for the Town at a later date.

Council will need to declare these items surplus and they will be placed on GovDeals.

The replacement truck will be at Taylor Ford on February 6, 2020 and then will be sent for the bed to be installed.

Budget Amendment: Ordinance 916 (Police Department)

This is the Chief's Reserve Fund that comes from taxes on drug money. State law provides the Chief the authority to spend it as he sees fit. The \$3,400 is for all the officers to have breastplates.

Director Wheeler stated that she would prepare two budget amendments for Tuesday's meeting: one for HCTDA Funding for the stage sound enhancement and one of the Festival Grounds' entrance paving and ticket booth remodel.

Consideration of Event Approval: Glory Hound Productions- Land of the Sky Relay: October 10, 2020

Greg Duff, with Glory Hound Productions, will start the relay in Asheville and finish in Cherokee with a stopping point at the Maggie Valley Festival Grounds. Mr. Duff is paying for the one-day rental. The event does bring people through town.

Although this is a one-day event it will be the cap off event from a seven (7) week stretch of event after event. The relay uses the area between the fence and the waterfall to hand out water, food, change runners, and have porta-johns available. This would provide time for the Public Works Department to work on the grass inside the fence of the festival grounds after such heavy use.

Mayor Eveland agreed that the relay brings people to town and the people visiting would see activity going on in the valley.

The event was held last year on Veteran's Day and the weather was too much for the runners.

Alderman Patel questioned what would happen if another promoter turned in an application for that weekend.

Alderman P. Wight explained that Council would be discussing the two (2) events that applied and come to a resolution.

Manager Clark explained that in March 2020 the events scheduled for 2021 will be approved by Council.

Town of Maggie Valley
Board of Aldermen Agenda Setting/Monthly Workshop
February 4, 2020
MINUTES

Manager Clark went to say that Alderman P. Wight had spoken with him about having music at the festival grounds for the 4th of July Fireworks Show.

Currently, the gates open at 6 PM and the Police Association sell hot dogs and drinks. People pick their area on the grounds and sometimes play yard games, thus the name "Backyard 4th".

Alderman P. Wight explained that he has been in discussion with some of the folks that use to do the "Mater Fest" in the Town of Canton. The group is considering doing something in Maggie Valley on the 4th. "It could turn into a multi-day event."

Mayor Eveland added that this year the 4th is on a Saturday so the valley will be full of people. The question is next year when the 4th is on a Sunday what is going to keep people here? It would be nice to have a Saturday/Sunday event or a Sunday event; otherwise people will leave town and head home on Sunday morning.

Alderman T. Wight agreed, but added that we don't need to let the tourist season go by the wayside because an event would give people visiting and locals alike something more to do.

Alderman Patel concurred, adding that she always has family come to Maggie Valley from Asheville and there is little to do.

Maggie Valley is known for having the best fireworks around.

In the past, while employing a Festival Director, a lot of money was spent on having something on the grounds for July 4. Now the town only contributes to the cost of the fireworks. The previous boards wanted to get away from putting so much money into events/festival grounds.

A lot of money was spent when rides were brought to the grounds. The town had to pay the carnival to come. If the carnival hits a certain threshold in ticket sales, the town will receive the money back. Maggie Valley did not come close to hitting that threshold. Director Mehaffey added that regardless of the weather, the grounds were a disaster from tractor trailers moving the rides in and out.

Mayor Eveland firmly believes the town doesn't need to do festivals. Also, on the 4th all the space possible needs to be utilized for parking. But if someone were to bring an idea to the table that would be no cost to the town, Council would certainly consider it.

Alderman Davis added that for what was paid for the carnival, the town could purchase a ride to leave here permanently.

Manager Clark explained that the "Backyard 4th" was thought about for the business community, especially the restaurants. Food establishments could sell picnic lunches and dinners for folks to bring to the grounds and retail stores could advertise and sell yard games.

Chief Gilliland reported that Moses the K-9 was put on different medication and is doing much better. K-9 Officer Wood wants to take care of him as long as possible.

Monday February 17th it is hopeful that the retreat will begin at 9:30 AM and end at 4 PM.

On Tuesday February 18th the retreat will begin at 9:30 AM and end by 3 PM
